

Dear colleagues!

It is announced the acceptance of the articles to the professional scientific journal “Public management and administration in Ukraine”

Issue 26/2021

Public management and administration in Ukraine” is a periodical scientific journal founded in 2017 by the Black Sea Institute of Economics and Innovation.

Based on the Order of the Ministry of Education and Science of Ukraine [№ 409 as of 17.03.2020 \(annex 1\)](#), the journal is included in the List of scientific professional editions of Ukraine (category “B”) on public administration (281 – Public management and administration).

The editorial staff assigns **DOI** to articles.

The purpose of the journal “Public management and administration in Ukraine” is to cover the findings of scientific research on public administration.

Topical sections of the scientific journal:

- Theory and history of public administration;
- Mechanisms of public administration;
- Public service;
- Local government;
- Public administration in public security and protection of public order.

To publish an article in the scientific journal **Issue 26/2021**, you should indicate

the information about the author [at link](#) or by QR code and send a paper, which meets execution requirements to editor@pag-journal.iei.od.ua no later than **December 3, 2021**.

The editorial board of the journal carries out an internal peer-review and plagiarism testing of all articles.

The articles are checked for plagiarism using the software [StrikePlagiarism.com](#) developed by the Polish company [Plagiat.pl](#).

When you receive the confirmation of the article’s acceptance, the requisites for payment of the publication fee are provided.

Then, you should send a scanned payment confirmation to the editorial office by email.

The cost of publication is **1000 UAH** (up to 10 pages inclusively). Each additional page is **40 UAH**. The publication fee covers editing, mocking up and printing of the journal, as well as mailing to the authors.

The printed copies will be sent out on **February 4, 2021**.

Example of designing the name of the electronic files: Ivanov_Article, Ivanov_receipt.

A scientific article has to include the following essential elements:

Introduction (problem statement in general and its relation to important scientific or practical tasks; an analysis of recent research and publications the author relies on and which discuss the issue and approaches to its resolving; underlining of previously unresolved parts of the general problem; formulation of the article's goals (task statement)).

Presentation of the basic research data with a full justification of scientific findings.

Conclusions from the study and **further prospects in this direction.**

Summaries and keywords in Ukrainian and English, as well as translation of the title of the article into English (the volume of the a summary is at least 1800 characters, the number of keywords is at least 5 words); the UDC index (in the upper left corner of the page); the topical section of the journal; surname and initials of author (s), academic degree, academic rank, place of work / study.

References. References to the sources should be made in square brackets, indicating the page numbers according to the source: for example, [3, p. 234] or [2, p. 35; 8, p. 234].

Language of publications: Ukrainian, English.

Technical requirements:

1. Article volume – from 10 to 20 pages, A4 size (297 x 210), left – 25 mm, right, top and bottom – 20 mm, typed in Microsoft Word.

2. The whole text of the article, References, summaries, etc. are typed using Times New Roman, size – 14 pt, line spacing – 1,5.

3. If the article contains tables and/or illustrations, they should be compact, have a title, text font – Times New Roman, size – 12 pt. Tables and illustrations should be no larger than the page width.

An example of the article design is available at the official website of the journal: www.pag-journal.iei.od.ua/example
